

## Dad's Pies Fundraising

We already help out so many other teams and clubs around the country - we'd hate for you to miss out! Sometimes it feels like fundraising is a never ending task, requiring lots of effort for little return. Here at Dad's Pies, we want to make fundraising as easy and as beneficial as possible.

We pride ourselves on providing quality product- the tried and true Dad's Pies that New Zealanders have known and loved since 1981.

### Easy step-by- step process:

1. Begin with the ultimate goal and timeframe
2. Discuss incentives and fund allocation
3. Dad's Pies provides fundraising order forms and leave-behind flyers with relevant information i.e. pick up date and location (max. 100 copies)
4. Once teams have been briefed they can proceed to sell boxes of pies (12 x 200 g pies per box), record the amount sold and collect money. Boxes are sold for \$36
5. Upon fundraising completion, one order is to be placed with Dad's Pies and one payment made
6. Pies to be picked up / or alternatively arrange delivery frozen at an agreed time and location.\*
7. Once payment and delivery is complete, Dad's pies will transfer \$16 per box sold directly into the appropriate account as a donation

\*Please note that orders requiring delivery will incur a freight fee. We will always endeavor to accommodate set delivery times however we cannot guarantee these.
