

We believe our people should be safe

We believe a safe and healthy workplace for all employees, visitors, contractors, and others in our place of work is an essential ingredient in making pies that are good for you. We have a dedicated Health & Safety Officer looking after everyone on our premises.

Employees are encouraged to play a vital and responsible role in maintaining a safe and healthy workplace and report back any incident that occurs in the workplace.

We are continually striving to achieve the highest ratings possible in everything we do. Here are some of the safety accreditations and regulations we comply with:

- The Fire Service Act 1975,
- Fire and Evacuation of Buildings Regulations 1992
- Hazardous Substances and New Organisms Act 1996
- We are working to achieve Tertiary Level ACC accreditation in 2015

We care about our environment

Our bakery is kind on the environment. We put a lot of effort into minimising the effect on everything we have.

- Managed drainage system to stop any nasty's getting out.
- Cooling towers to reduce the effect of the heat of our ovens
- The right equipment and training for spills
- Focus on paper, plastic & metal recycling
- Land and building maintenance

We care about our community

Dad's pies is part of our community. Our success depends on the support of those around us and we try to help out in many ways, including support to:

- Westpac Rescue Helicopters
- Hibiscus Coast Soccer Club
- Kids In Cars
- Hospice
- Red Beach & Orewa Surf Lifesaving Clubs
- Local Schools & Charities
